

Your Partner in Cardiovascular & Blood Pressure Health

Discover the power of PreDia®'s Healthy Blood Pressure Support formula- expertly designed to help you maintain healthy blood pressure levels already within the normal range. Whether you're looking to support circulation, heart function, or vascular integrity, our comprehensive blend of nutrients works synergistically to promote overall cardiovascular wellness. This formula features research-backed ingredients like magnesium, L-arginine, olive leaf extract, garlic, and grapeseed extract to help you stay on track with your health goals—naturally and effectively.

Features

- **L-Arginine for Circulation Support:** A key building block for nitric oxide, L-arginine supports blood vessel dilation and healthy circulation, helping to regulate blood flow and maintain blood pressure already within the normal range.*
- **Bioavailable Magnesium Blend:** Our dual-form magnesium (citrate and orotate) supports vascular health and endothelial function, while helping maintain essential magnesium levels often lacking in modern diets.*
- **Olive Leaf Powerhouse:** Standardized to 20% oleuropein, olive leaf extract supports cardiovascular and blood vessel health with potent antioxidant activity and anti-inflammatory properties.*
- **Antioxidant-Rich Grapeseed Extract:** A natural source of proanthocyanidins, grapeseed extract promotes blood vessel integrity and healthy blood flow by supporting oxidative balance.*
- **Garlic for Heart Health:** Rich in sulfur compounds, garlic supports vascular relaxation and healthy blood pressure through natural nitric oxide and hydrogen sulfide pathways.*
