

# Empower Your Heart, Energize Your Cells: Experience CoQ10's Vital Support!

Discover the power of PreDia® Healthy Cholesterol Support, a carefully crafted blend of nine aliphatic alcohols designed to support your cardiovascular wellness. Our formula features Octacosanol, derived from sugar cane wax, as its main ingredient, complemented by eight additional alcohols like triacontanol and hexacosanol, to help maintain healthy cholesterol levels and promote overall heart health.\*

## Features

- **Octacosanol for Cholesterol Support:** As the primary component of policosanol, octacosanol plays a significant role in supporting healthy arteries and maintaining balanced cholesterol levels.\*
- **Comprehensive Blend:** The synergistic combination of nine aliphatic alcohols works to promote healthy LDL and HDL levels, contributing to overall cardiovascular wellness.\*
- **Plant-Based Ingredients:** Derived from sugar cane wax, this natural formula is designed to provide an effective, plant-based approach to cholesterol support.\*

## Benefits

- **Promotes Cardiovascular Health:** Helps maintain healthy cholesterol levels and supports heart wellness.\*
- **Supports Balanced LDL and HDL Levels:** Encourages healthy cholesterol ratios for optimal cardiovascular function.\*
- **Derived from Natural Sources:** Features sugar cane wax as the primary ingredient source.
- **Clean and Transparent Formula:** Free from unnecessary additives and allergens.
