

# Artemisinin Forte

**Empowering Immune Resilience and Supporting Respiratory Function.**

Artemisinin Forte contains a 50:1 extract from *Artemisia annua*, our product stands apart, delivering a unique blend that regulates both innate and adaptive immunity. Not all *Artemisia* species offer the same benefits; our *Artemisia annua* extract, distinct from the toxic wormwood variety, is cultivated in the temperate regions of Asia. *Artemisia annua*, is known as sweet wormwood or Qing Hao. It contains “Artemisinin” which is the major active compound and found in concentrations of 1.5 – 2% in *Artemisia annua* from cultivars.

For over 40 years, Artemisinin has been globally recognized as a historic remedy for respiratory support. Recommended by the World Health Organization (WHO), artemisinin-based therapies have demonstrated exceptional therapeutic properties, such as anti-inflammatory, antimicrobial, and antioxidant benefits, in addition to regulating cytokine release.

## Features
