

Neuro Max™

Empower Your Brain and Nerves: Neuro Max™, Your Comprehensive Cognitive Support Solution

Unlock the power of your mind and nerves with Neuro Max™, a cutting-edge orthomolecular formula meticulously crafted with 14 synergistic ingredients to elevate brain function and enhance nervous system health.

Our vegan, non-GMO formula features powerful elements like Acetyl L-Carnitine for sharper cerebral function, Ginkgo Biloba and L-Carnosine for managing blood flow and memory, plus Choline and Phosphorus to support mental clarity.

With Lion's Mane mushroom and White Mulberry leaf extract for comprehensive nervous system nourishment, alongside L-Asparagine for optimal nervous system development, Neuro Max™ is your go-to for holistic cognitive support.

Suggested Use

Two capsules daily with or without a meal, or as directed by a healthcare professional.

Cautions

It is always recommended to consult your healthcare provider before taking any dietary supplement, if you are undergoing treatment for a medical condition, if you are pregnant or lactating, or if you are taking products that affect coagulation as this may increase the risk of spontaneous bleeding. May cause digestive problems.

Do not use if safety seal is damaged or missing.

Store in a cool, dry place.

KEEP OUT OF REACH OF CHILDREN.
