

Orthomolecular

Ptero Gene™

Advanced Cellular Support with Pterostilbene, Resveratrol & Antioxidant Synergy.

Ptero Gene™ is a scientifically formulated blend designed to support healthy aging and cellular vitality. It features pterostilbene, a naturally occurring antioxidant and close chemical cousin of resveratrol, known for its superior bioavailability and ability to help maintain healthy metabolic function.

Resveratrol, a polyphenol found in red grapes and berries, is widely recognized for its role in promoting antioxidant defenses and supporting cellular health. Together, pterostilbene and resveratrol offer a dynamic combination of plant-based compounds known for their ability to help the body adapt to oxidative challenges and environmental stressors.

Our vegan-friendly formula is further enhanced with quercetin, MCT oil, and BioPerine® to optimize nutrient absorption and amplify antioxidant effectiveness—making it an ideal choice for those seeking to support graceful aging and long-term wellness.

Features

- Synergistic antioxidant formula with pterostilbene, resveratrol, and quercetin.*
- 100% vegan and non-GMO ingredients.*
- Medium Chain Triglycerides (MCT) to help improve absorption.*
- Includes BioPerine® (standardized piperine extract) to support nutrient delivery.*
- Formulated to enhance the bioavailability of polyphenols.*
- Designed to support pathways related to healthy metabolism.*

Benefits

- Helps protect cells from oxidative stress and free radical damage.*
- Supports healthy aging and longevity.*
- Promotes efficient nutrient absorption and utilization.*
- Encourages natural antioxidant defenses.*
- May support energy metabolism and cellular resilience.*

Main Ingredients

Each Serving (2 capsules) Contains:

| | |
|--|--------|
| Medium Chain Triglycerides (caprylic and capric acids from coconut oil) | 200 mg |
| <i>Pterocarpus marsupium</i> (99% pterostilbene) | 100 mg |
| Resveratrol from <i>Reynoutria japonica</i> (root) | 100 mg |
| Quercetin from <i>Sophora japonica</i> (flower) | 39 mg |
| <i>Piperum nigrum</i> extract (fruit) (BioPerine® containing 95% piperine) | 14 mg |

Other Ingredients

Microcrystalline cellulose, hypromellose, ascorbyl palmitate (preservative).
CONTAINS COCONUT

Suggested Use

Two capsules daily preferably prior to a meal, or as directed by a healthcare professional.

Cautions

It is always recommended to consult your healthcare provider before taking any dietary supplement, if you are undergoing treatment for a medical condition or if you are pregnant or lactating.

Do not use if safety seal is damaged or missing.
Store in a cool, dry place.
KEEP OUT OF REACH OF CHILDREN.
