

THYMUSKIN® Classic Shampoo is [Step 1 of 2] in the Thymuskin 2-Step System.

It is a haircare system designed to manage typical men's hair concerns. Formulated with the GKL-02 Thymic Peptide Complex, THYMUSKIN® Classic Shampoo helps strengthen the hair. It provides type-specific care, gently cleanses, and prepares the scalp for the application of any Thymuskin Serum version.

Benefits

- Provides type-specific care for normal to greasy hair.
- Formulated with the GKL-02 Thymic Peptide Complex, it strengthens the hair and scalp, promoting it to look healthier and fuller.*
- For Application to the Hair.
- Dermatologically tested and free of side effects, for long-term use.
- Prepares the scalp – gently cleanses while optimizing the scalp for effective reception of any Thymuskin Serum – Step 2.*

2-Step System

Thymuskin contains 3 lines – THYMUSKIN® Classic, THYMUSKIN® Sensitive, and THYMUSKIN® Forte. Each line contains a Shampoo and a Serum, all suited to match individual hair and scalp conditions. Thymuskin is suitable for both men and women and has no reported side effects.

About Thymuskin**

Main Ingredients

Each Bottle Contains:

AQUA, SODIUM LAURETH SULFATE, GLYCERIN, COCAMIDOPROPYL BETAINE, DISODIUM LAURETH SULFOSUCCINATE, SODIUM CHLORIDE, PHENOXYETHANOL, SODIUM BENZOATE, BETAINE, CITRIC ACID, PANTHENOL, POTASSIUM SORBATE, SYNTHETIC THYMUS HYDROLYSATE, HYDROLYZED SILK, BUTYLENE GLYCOL, CI 42090

THYMUSKIN® CLASSIC Shampoo is free of silicone and paraben. With thymic peptides of non-animal origin.

Directions

Wash your hair with Thymuskin Shampoo and leave it on for a short time. After rinsing, dry your hair ideally with a towel. Then part your hair, apply the Thymuskin Serum drop by drop to the scalp and massage it in with your fingertips. Repeat this until the scalp is completely covered. Do not rinse. After that, you can style your hair as usual.

Cautions

For external use only, keep out of the reach of children. For all products no animal tests have been carried out.
