

THYMUSKIN[®] Forte Shampoo is [Step 1 of 2] in the Thymuskin 2-Step System.

THYMUSKIN[®] Forte is a haircare system designed for managing hair in strong need of extra care and for special purposes. Formulated with the GKL-02 Thymic Peptide Complex, THYMUSKIN[®] Forte Shampoo helps strengthen the hair. It provides type-specific care, gently cleanses, and prepares the scalp for the application of the Thymuskin[®] Serum.

Benefits

- Provides intensive, extra-rich care for hair in strong need of support, including advanced thinning and special conditions.
- Formulated with a highly concentrated GKL-02 Thymic Peptide Complex to deeply strengthen hair and scalp.*
- For Application to the Hair.
- Dermatologically tested and free of side effects, for long-term use.
- Prepares the scalp – gently cleanses while optimizing the scalp for effective reception of any Thymuskin Serum – Step 2.*

2-Step System

Thymuskin contains 3 lines – THYMUSKIN[®] Classic, THYMUSKIN[®] Sensitive, and THYMUSKIN[®] Forte. Each line contains a Shampoo and a Serum, all suited to match individual hair and scalp conditions. Thymuskin is suitable for both men and women and has no reported side effects.

THYMUSKIN[®] Forte Shampoo is free of silicone, paraben and perfume. With thymic peptides of non-animal origin.

Directions

Wash your hair with Thymuskin Shampoo and leave it on for a short time. After rinsing, dry your hair ideally with a towel. Then part your hair, apply the Thymuskin Serum drop by drop to the scalp and massage it in with your fingertips. Repeat this until the scalp is completely covered. Do not rinse. After that, you can style your hair as usual.

Cautions

For external use only, keep out of the reach of children. For all products no animal tests have been carried out.
